

Bachelor of Science in Accountancy

Gain a competitive edge in the world of finance with the Bachelor of Science in Accountancy (BSA) Program. This program offers comprehensive training in key areas such as **financial accounting, cost accounting, auditing, taxation, and accounting information systems.** Students will develop strong analytical, problem-solving, and decision-making skills essential for managing financial activities across industries. Graduates of the BSA program are equipped with the knowledge and expertise required to take the **Certified Public Accountant (CPA)** board exam, opening doors to careers in auditing, consultancy, corporate finance, and more.
